DEERFIELD

POLICE DEPARTMENT

Last year I requested of all dog owners to license your dogs before June 1st as it is an added expense to the town to have the taxes and \$1.00 penalty collected by an officer. Many residents last year had to be summoned to court for failure to pay delinquent taxes, this I'm sure was an aggravation to them and a cost to the town which could be avoided if all payed their taxes promptly.

In the town warrant is an article to be voted on to purchase a new cruiser. The present cruiser a 1968 Chevrolet was purchased in 1970 from the Rockingham County Sheriff's Department and was a used cruiser. Needless to say this is a much needed item and hope you vote in favor of it.

Although we did suffer a few housebreaks and a minimum cases of malicious damage in the past year, through constant investigation and cooperation from other law enforcement agencies we were able to apprehend some of the criminals and recover some of the valuable stolen property. Let me stress that at anytime you notice any suspicious act do not hesitate to report it.

Perhaps with our combined efforts we can have a decrease in crime in Deerfield and a decrease in the budget in the department.

I'd like to express my gratitude to the inhabitants of Deerfield for their continued support of the police department.

Respectfully submitted,

RICHARD E. GUYETTE,

Chief of Police

ANNUAL REPORT

RURAL DISTRICT HEALTH COUNCIL

January 1, 1971 — December 31, 1971

The Rural District Health Council continues to provide visiting nurse service to the member towns: Northwood, Nottingham, Deerfield, Barrington, Strafford, Middleton and New Durham. The nurses have continued to provide nursing services to patients needing care and have expanded the Family Planning Program to include all of the towns of the Council. In April, with the assistance of Mrs. Mary Caminati, N. H. Public Health Nurse, a Child Health Conference was started at the Community Center in Deerfield to provide physical examinations and immunizations for pre-school children in the towns of Northwood, Nottingham and Deerfield. If indicated, the children are referred to other services. The attending physician at the monthly conference is Dr. William Whitney of Exeter. In September, with the aid of Mrs. Muriel Morin, N. H. Public Health Nurse, a monthly Child Health Conference was started at the Town Hall in New Durham for the towns of New Durham and Middleton with Dr. Wendy Tinklepaugh of Amherst, N. H., as attending physician. We are hoping to establish a Child Health Conference for Barrington and Strafford in the spring of 1972.

The following statistical report covers the year of 1971:

Total number of visits: 1543

Barrington — 271 Northwood — 185

Strafford — 163 Nottingham — 111

New Durham — 272 Deerfield — 249

Middleton — 292

Total number of visits to Child Health Conferences: 320

Northwood	Nottingham	Deerfield	Middleton	New Durham
81	57	105	33	44

Number of children attending conference:

37	33	57	15	37
----	----	----	----	----

Number of families represented at conference:

16	18	28	10	12
----	----	----	----	----

We are very fortunate to have Miss Arlene Thorne covering the Strafford County towns and Mrs. Madeline Sullivan in the Rockingham County towns. These two nurses are very dedicated to their duties and provide excellent nursing care for the people of the Rural District Health Council.

The Rural District Health Council has been supported by the funds contributed by the towns at a rate of \$1.00 per capita, a state grant and fees for service.

Anyone interested in the program or needing the service is asked to contact the Portsmouth Rehabilitation Center — Tel: 436-5716 or a representative of the Rural District Health Council in your town.

REPORT OF THE PLANNING BOARD

Subdivision became an important concern to the Planning Board in 1971. The passage of the Senate Bill No. 233 (effective 7-1-71) gave control over subdivision of land in a large part to the N. H. Water Supply and Pollution Control Commission. By this enactment the Planning Board cannot approve any subdivision plan until an approval certificate is obtained from the commission. A subdivision is defined as any piece of land that is divided into two or more parts.

This year the Board has acted on two large Subdivision-developments, twelve smaller subdivisions, and has referred sixteen applications to the Board of Adjustment.

For the Town Meeting of March 1972 the Planning Board has proposed several amendments to the Building Code to meet the needs of a fast growing town.

THE STATE OF NEW HAMPSHIRE TOWN WARRANT

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:
(L.S.)

You are hereby notified to meet at Deerfield Town Hall in said Deerfield on Tuesday, the seventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To decide, by ballot, on proposed changes in the Deerfield Building Regulations.
3. By ballot, to take the sense of the qualified voters whether the amendments of the N. H. Constitution proposed by the 1971 session of the General Court shall be approved.

THE FOLLOWING ARTICLES WILL BE TAKEN UP AT 8:00 P. M.

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.
5. To see if the Town will authorize the selectmen to hire money in anticipation of taxes.
6. To see if the Town will authorize the selectmen to sell property acquired through tax collector deeds.
7. To see if the Town will vote to raise and appropriate the sum of \$1,342.92 for Town Road Aid, the State to contribute the sum of \$8,952.77.
8. To see if the Town will vote to amend the action taken at the Town Meeting of March 9, 1965, under Article 6, governing the establishment of the Advisory Budget Committee by adding to the adopted provision the following: 'except that if one individual holds more than one of the above mentioned offices, then the Tax Collector shall act as the third appointing officer'. This action as amended would then read:
It shall consist of nine members. As the members terms expire the Moderator, Town Clerk and Town Treasurer shall appoint within thirty days after the Annual Town Meeting three citizens to serve on the Advisory Budget Committee for a period of three years and shall designate a temporary chairman to call the first meeting of the committee, except that if one individual holds more than one of the above mentioned offices then the

Tax Collector shall act as the third appointing officer.

9. Entered by request of the Advisory Budget Committee:
To see what action the Town will take relative to the care and maintenance of private roads and drives.
10. Entered by request of the Advisory Budget Committee:
To see if the Town will raise and appropriate the sum of \$4,000 to procure a hopper type sander similar and equal to highway 8 yard model for use by the highway department. The Town to make procurement through the State Procurement Agency. If procurement cannot be made through the State agency, then the procurement is to be advertised for bid. The Town to request assistance from the State Procurement Agency to prepare the specifications.
11. Entered by request of the Advisory Budget Committee:
To see if the Town will vote to raise and appropriate the sum of \$3,000 to commence work on the complete reevaluation of the Town. The sum of \$2,500 would be raised through the issuance of bonds or notes under, and in compliance with the provisions of N. H. RSA 33-3B, 1955.
12. Entered by request of the Advisory Budget Committee:
To see if the Town will raise and appropriate the sum of \$3,000 to procure a new police cruiser. The Town to make procurement through and with the assistance of the State Procurement Agency.
13. Entered by request of the Seacoast Regional Counseling Center:
To see if the Town will vote to raise and appropriate the sum of \$500 for the support of the Seacoast Regional Counseling Center.
14. Entered by request of the following: Patrick Cassier, Esther Witham, Katherine Witham, Arlene Clark, H. Hutchinson, Leo Plante, Jr., Louis Coletti, Dorothy Price, W. H. Twombly, Joe Duperl, John Emerson, Sandra Cassier:
To see if the Town will enact a leash law which would prohibit all dogs from running at large on public or private property other than:
a) that land which is owned by the dog owner
b) accompanied by a hunter according to the latest

- N. H. Fish and Game laws
c) restrained on a leash
We, the signers, also request that the Town appropriate the sum of _____ per year for enforcement of leash law.
a) _____ for salary of dog catcher
b) _____ for operational expenses

15. To transact any other business that may legally come before said meeting. Polls will open at 10:00 a. m. and will close at 6:00 p.m. Meeting to reopen at 8:00 p.m. to take action on the remaining articles in the Town Warrant.

Given under our hands and seal, this twelfth day of February, in the year of our Lord nineteen hundred and seventy-two.

STATEMENT OF BOARD OF SELECTMEN

The major item of concern this year was the funding of the school addition out of current taxes and the added burden placed on the taxpayer.

Through the cooperation of the builder the Selectmen were able to defer borrowing until September and thus were able to save considerable interest on the \$155,000.00 finally borrowed. This sum has been repaid in full, since the close of the calendar year.

Soon after the school addition had been voted at School Meeting, we sent letters to all non-resident taxpayers in order that they might also be aware of the additional taxes that would be required this year.

The Selectmen, after several letters and personal visits, are still not in receipt of the N. H. Tax Commission audit report of last year. Additionally, at the specific request of the Tax Collector, they audited his accounts through November 30, this year. The reason given for the delay of the audit report is 'lack of clerical

help! However, the Selectmen are in receipt of a letter from Mr. LaPlante, Director, Division of Municipal Accounting, N. H. Tax Comm. stating that the accounts are in good order and that there is an actual overage of \$4.37 in the Tax Collectors account. Last years audit included all Town accounts.

One item that will benefit the town is the construction of a new Public Service Co. of N. H. sub-station off Cate Road. Work on the substation has already started.

There have been, and will continue to be, some problems in connection with zoning regulation conformity, but on the whole, most people accept and do cooperate with the reasonable requirements called for. The few that have not respected the requirements have been referred to the towns legal counsel for action.

While it had been hoped that this past year would have seen a small section of TRA rebuilding on the Coffeetown Road a problem with the entrance off Route 43 has not been fully resolved. The N. H. State Department of Public Works has indicated that they will have a recommendation by this coming Spring.

The Board has under discussion many items that would appear to be needed in the years just ahead with the most urgent requirements centering on centralized office space, at the town hall area, for all town officers, and commissions; a building to house equipment; the completion of the town hall parking lot (donated to the town for that purpose by Mr. and Mrs. John Petersen); and finally the problem of solid waste disposal. With the exception of the solid waste problem, the items are being studied by the Advisory Budget Committee, by request of the Board of Selectmen.

Because there has been some confusion in the past years as to the duties of the A.B.C., their functions as established by action of the Town Meeting, 1963, and amended in 1965, are set forth for information:

(1) Consists of nine members. Originally elected but amended in 1965 to provide for appointment (3 members yearly for three year terms) by the Moderator, and Town Clerk and Town Treasurer within thirty days after the Annual Town Meeting. Appointing body to designate a temporary chairman to call first meeting.

(2) They shall meet with the Selectmen and the School Board at least thirty days prior to the respective Annual Meetings to discuss and advise them with regards to the appropriate sums

to be recommended to the voters at the annual Town and School Meeting.

(3) They shall have no authority with regards to appropriations and their recommendations shall be of an advisory nature only.

(4) May be dissolved only by a majority of the registered voters at a regular Town Meeting.

(5) In case of need of counsel by the Board of Selectmen, or the School Board, it shall be the duty of the A.B.C. to meet with either Board, to consult and advise, upon said board's request.

The Board of Selectmen, in keeping with the tax burden placed on the taxpayer, have tried to maintain all services and to keep expenditures, wherever possible, to a minimum. We believe that we have done reasonably well in serving the best interests of the town.

CIVIL DEFENSE REPORT

The Civil Defense Agency would like to report a very successful year for 1971. All personnel rosters, Annexes and plans have been approved by the government.

The CD Rescue Van made a total of 18 runs this past year. The Equipment and supplies are a great help to the town's people.

I would like to thank all the people who helped in this agency this year.

ANNUAL REPORT OF THE VEASEY PARK COMMISSION

There was good utilization of the Park this year, although many residents are not taking advantage of the facilities.

This year, for the first time, the beach had a certified life guard and swimming instructor. An all summer swimming program was conducted, and well attended by approximately 65 children.

For safety and security the wooden gate has been replaced by a chain link fence and gate.

The Commission has approved storage and launching of Sail/Sunfish types at the southern portion of the Park. Those interested please check with the Commission prior to doing same.

There is concern relative to the quality of the Pond waters. In August there developed a distinctive odor and growth of algae in the swimming area. Pollution may become a prime consideration in the near future.

REPORT OF THE ADVISORY BUDGET COMMITTEE

The Advisory Budget Committee has held meetings with the Selectmen, School Committee, and other Town Officials to discuss specific budget items as well as other matters pertaining to the expending of Town and School District Funds.

In addition to making specific budgetary recommendations for the coming year, the Advisory Budget Committee has submitted several articles for inclusion in the Town Warrant.

Also instituted is a study of several projects to be undertaken by the Town over the next several years. These projects vary in priority and recommendations will be submitted to the Selectmen as soon as studies are completed.

Other items, while not strictly budgetary in nature, have been discussed. These items have been referred to the appropriate Town Officials with recommendations for administrative action.

We appreciate the cooperation of all who have met with the Committee, and are appreciative of suggestions for improvement.

SPECIFIC RECOMMENDATIONS:

TOWN APPROPRIATIONS:

The Advisory Budget Committee recommends approval of the proposed appropriations as submitted. The increase in funds for Summer Maintenance is offset by approximately \$18,000.00 in revenue from gasoline taxes. The \$5,000.00 balance to be raised by the Town is a net decrease of approximately \$9,000.00 from last years appropriation for this line item. It is the understanding of the Committee that at least \$5,000.00 of the total item is to be used in making repairs to rough sections of Town Roads.

SCHOOL APPROPRIATIONS:

The Advisory Budget Committee recommends that the proposed budget be approved as submitted. Increased operational expenses and salary increases account for nearly all of the increase over last years funding.

TOWN REPORT:

The Advisory Budget Committee recommends that the format of the Town Report be changed back to the format used in years prior to 1968 where all expenditures were itemized in detail.

It should be noted that a comparison of the Town and School Budgets for the ensuing year indicates a total in excess of \$150,000.00 less than the previous year, and therefore the correctness of predictions made by the Town and School Officials of a year ago.

For the Advisory Budget Committee:

WILLIAM E. SANBORN, *Chairman*

G. DONALD TOMILSON, *Clerk*

G. DONALD FOWLER

REPORT OF THE BOARD OF ADJUSTMENT

Regular meetings of this board are held the fourth Tuesday of the month as specified in it's By-Laws, unless otherwise called by the Chairman.

The board is required by law to hold hearings and render it's decisions on all appeals properly presented and filed with the Clerk of the Board, which are non-conforming to the Zoning Ordinance.

All appeals **MUST** be made on forms that have been adopted and made available by the board.

Appeal forms should be obtained from the Planning Board, Building Inspector or the Board of Selectmen.

During the year the Clerk of the Board received and recorded the following:

- 16—Notices of Appeal
- 1—Request for a Temporary Permit

Sixteen open hearings were held.

Decisions of the board:

- 11—Appeals—approved
- 5—Appeals—denied
- 1—Temporary Permit—approved

ASSISTANT SUPERINTENDENT'S REPORT

It is with pleasure, but also some hesitation, that I submit this brief report. Half a year "on-the-job training" is hardly enough to evaluate Union #53, its present status, its future, and its ever increasing school population.

Two areas of great concern are growth and financial assistance. Each district within the next decade will show rapid growth — in some instances, a doubling of present enrollment. We are at present studying every facet of space needs, double sessions and extended or year round schools. We must take a good hard look at all alternatives.

Although the number of teacher applicants have increased steadily in the last year, we must be selective in choosing the candidates that offer the best for our children.

Our education is fundamentally sound. The instructional program is ever improving, as the science and art of education develops. Instructional areas have been updated and show signs of continuity with our high school programs.

In closing, I would say that good education costs more money than poor, and that quality education costs the most. It is our intention to give you the best quality education possible for the amount of money spent. We can, however, always show improvement day by day. This is the basic philosophy we like to think is part of our educational belief.

Respectfully submitted,

DAVID R. CAWLEY,
Assistant Superintendent

PRINCIPAL'S REPORT

This past year has been one of the most encouraging and rewarding I have spent at the George B. White School. Encouraging from the positive point of view taken by the residents of Deerfield toward the educational needs of their town. Rewarding to see the improvements in education and attitude since the new building has been completed. What the people of Deerfield offered their children, with these new facilities, reaches far beyond the new building. The new programs instituted, the new library and resource center, the music and art rooms, the return of a full cafeteria, the opportunity for assemblies and the extra room for activities have greatly improved conditions and morale. One of the most rewarding experiences has been the noticeable improvement in discipline since we have eliminated the over crowded conditions. The physical environment of the new school has improved classroom performance. Happier students and improved morale mean a great deal in education.

We have improved our audio-visual department by the purchase of new tapes and cassette machines. These machines and tapes will be used by the students in the new resource center.

Curriculum changes have been made in the fields of Reading and Math. New textbooks in both areas have improved the quality of work and has brought more continuity within these programs. At the present time a curriculum study is being conducted to improve materials used in our Science department. We hope to develop

an experimental approach to science rather than the text book oriented approach. During the past year we have introduced the Rinehart Handwriting System into the school curriculum.

The new library, used by all grades, is gradually becoming an important part of our educational program. In the near future there will be a need for a part-time or full-time librarian. All books in the library are cataloged and students are taught how to use the catalog files when doing research or looking for a particular book to read.

I would like to thank those volunteers who have been helping in the library each day. If it were not for their time, sacrifice and interest, we would be unable to run this program.

Our teacher aides have been doing excellent work. They have been able to work with one or two children at a time. These children need the extra help and time given them by the aides.

Many thanks must go to the dedicated teaching staff. They have accepted many extra responsibilities and duties during the past year. We have doubled our supervision of bus, recess and lunchroom duty. Teachers have helped with the yearbook, school dances, book fair and the music program.

Our hot lunch program has run smoothly under the able supervision of Mrs. Marjorie Harris and Mrs. Anita Merrill. Many thanks go to these two very capable people for their fine program.

It has been a pleasure to work with the School Board during this long and trying

year. Their sincerity, dedication and interest in education has been very rewarding and I would like to thank each member for their help, advice and support.

We are all indebted to the fine work of the Building Committee. This committee worked long and hard to bring to the people of Deerfield the plans of our new school.

Last, but not least, I would like to thank the people of this community for their insight, sacrifice, confidence and support in voting the children of Deerfield this new school.

FREDERICK A. CHAMPION,
Principal

A MESSAGE FROM THE BOARD OF EDUCATION OF THE TOWN OF DEERFIELD

This past year has been a year of accomplishment for the School District of Deerfield. With the support of the residents of Deerfield, the School Board was able to complete the new building program.

The new addition is now complete and in use. Deerfield, with our physical plant of 16 rooms and Library-Resource Center, an excellent teaching staff, is second to none in the State of New Hampshire.

It is hoped with the completion of the addition we have met our educational needs for the next few years.

In the year 1972-73 we will have the largest class ever entering the first grade. This year we are graduating our largest class. Beginning in 1972, for the first time, we will have over a hundred high school students. The largest problem approaching the Deerfield School District is that of a High School. Many large communities are turning away tuition students. For example, Pembroke and Concord will no longer accept Deerfield students. Manchester now has an overcrowding problem. Raymond is on split session. The answer to the big question, where will we send our students for high school, will have to be forthcoming shortly. The School Board will have a Committee doing a continual study of this serious problem.

The problems of educating our children seem never ending. When one problem is resolved, we find very quickly it is replaced by one just as pressing.
